Annual Manuscript Processing Report
Ella Mae Matsumura and David A. Ziebart, Co-Editors
Data from July 1, 2006 to June 30, 2007

Manuscripts Processed (Kentucky Office):

In process at start of year	23
New submissions for the year	97
Less papers referred to another journal without formal review	(16)
Less withdrawals	(4)
Total available to be evaluated	100 ^a
Accept/Reject	15/43
In process at end of year	42

^a Total available to be evaluated includes 8 new invited commentaries under editorial review: 5 in process at end of year, 2 accepted, and 1 rejected.

Acceptance Rates:

Number of acceptances/new submissions (15/97)	15%
Number of acceptances/total files closed (15/78)	19%

Processing Time:

1st Round Review	61.0
2nd Round Review	55.1
3rd Round Review	41.0

Processing time is from the time the paper is sent to the referee to the editor's decision and is only computed for those papers that completed the indicated review round by the cut-off date. Average turn-around time from receipt of a reviewable manuscript until the manuscript was sent out for review was 14.0 days.
